EXPERIENCE

Software Programmer (Freelance) , 01/2023 - Present

Santa Rosa, Province Of Laguna, Philippines (Remote)

- Developed and delivered small- to large-scale software and web applications for students, including academic and capstone projects.
- Built functional systems using Java, Python, PHP, HTML, CSS, and JavaScript, tailored to project requirements and academic standards.
- Gathered client requirements, translated them into technical solutions, and provided project documentation and explanations when needed.
- Debugged and resolved application issues to improve performance, reliability, and user experience.
- Designed and implemented databases and table structures for web-based systems using MySQL.
- Conducted code reviews and applied best practices to ensure clean, readable, and maintainable code.
- Created and executed unit tests to validate functionality and improve software reliability.

Web Developer (Freelance), 01/2025 - Present

Santa Rosa, Province Of Laguna, Philippines (Remote)

- Developed responsive and user-friendly websites using HTML, CSS, and JavaScript.
- Implemented back-end functionality using PHP to support dynamic content and system logic.
- Managed website databases using MySQL, including data structure design and optimization.
- Tested and debugged websites to ensure compatibility across browsers and devices.
- Used Git for version control and organized code management across multiple projects.

Web Designer (Freelance)

01/2025 – Present

Santa Rosa, Laguna, Philippines (Remote)

- Designed responsive and visually consistent web interfaces for both mobile and desktop platforms.
- Collaborated closely with developers to ensure smooth integration of design and functionality.
- Applied SEO best practices in web layouts to improve visibility and search performance.
- Conducted usability testing and incorporated feedback to enhance user experience and accessibility.

Editor (Freelance) , 05/2024 - Present

Santa Rosa, Province Of Laguna, Philippines (Remote)

- Edited and proofread articles for clarity, grammar, and consistency.
- Managed editorial calendar to ensure timely publication of materials.
- Conducted research to verify facts and improve article accuracy.
- Utilized editing software to streamline workflow and maintain high editorial standards.
- Managed multiple projects simultaneously, ensuring timely delivery of high-quality editorial work.
